Dear parents and carers,

As we progress through our seventh week of lockdown, I know many of you are concerned about the media speculation around returning to school. Of course, we all want to return to school and catch up with friends and learning, but I can assure you that schools have not been ordered to reopen yet.

We must remember that in the absence of hard facts and guidance, the press guesses and speculates what is going to happen. In doing so they raise people's anxiety. I can reassure you that we will not suddenly open our doors for all our children to return at the same time.

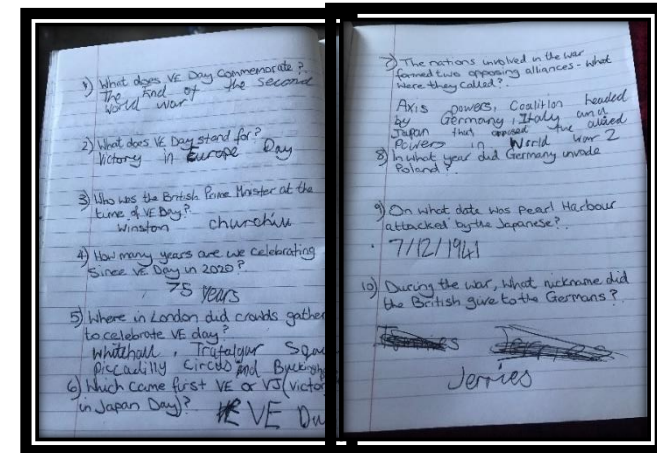

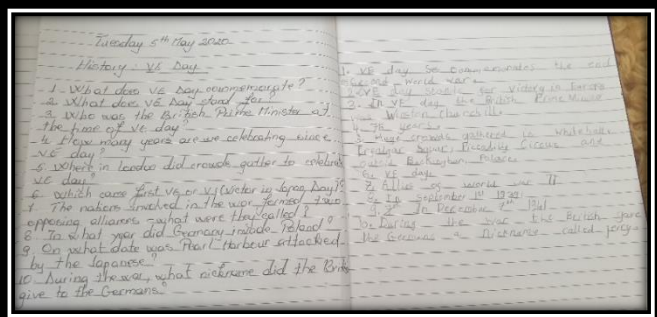

Firstly, there will be a period of weeks to allow schools to put in place the necessary measures to open in a phased and safe manner. All families will be clearly informed by our school as to our intent and how we will keep everyone safe. At this point, we are only beginning to formulate what this will look like as we must follow the advice of scientists and experts. Please be reassured that it is in no one's best interests to rush to open our school until we can assure people's safety.

Meanwhile, all classes from Years 1 through to 6, have work set each week. Parents and children can contact the staff of each year group through the email addresses set out below left, in the section, "communication", should they have a question or need clarification.

Thank you for continuing to send your work, pictures, videos etc as keeping connected is extremely important to us all. We hope you enjoyed our video made for all of you to remind you we are all here for you even though you can't always see or talk to us. If you haven't seen it yet, it in the YouTube link directly below this message. We hope you enjoy watching it as much as we enjoyed making it.

Finally, the school will be closed this Friday for the Bank Holiday to allow our very hard-working site manager, cleaners and kitchen staff a chance to have a long weekend break.

I wish you all continued good health,
S Frazer, Headteacher

Communication

We continue to use our ParentHub and/or Twitter feed <https://twitter.com/Huntershallps> to communicate messages during the time that the school is closed to most pupils in order to provide childcare to critical workers' children. Home Learning activities, which are updated regularly, can be located here: <http://www.huntershallprimary.org.uk/home-learning/489.html>

Remember that each year group has an email address:

Reception@hunters-hall.bardaglea.org.uk

Yone@hunters-hall.bardaglea.org.uk

Ytwo@hunters-hall.bardaglea.org.uk

Ythree@hunters-hall.bardaglea.org.uk

Yfour@hunters-hall.bardaglea.org.uk

Yfive@hunters-hall.bardaglea.org.uk

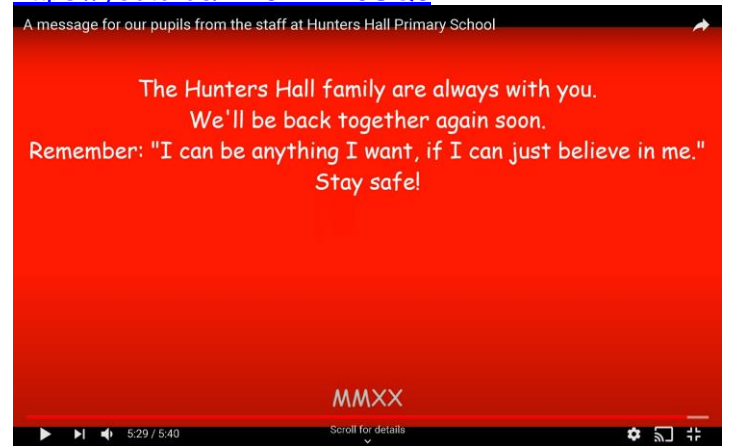

Ysix@hunters-hall.bardaglea.org.uk

You can send questions or work to the relevant year group. (Responses will be given during working hours Monday to Friday)

When VE Day dawns on 8th May 2020 it will be 75 years since the guns fell silent at the end of the war in Europe.

The 75th anniversary will provide our nation, and our friends around the world, with an opportunity to reflect on the enormous sacrifice, courage and determination of people from all walks of life who saw us through this dark and terrifying period. It will be an opportunity for us all to remember the enormous sacrifices that were made at home and abroad and to joyously celebrate as people did 75 years ago, the arrival of peace in Europe.

We would like to mark this day with our own Make Do and Mend Celebration during this difficult time. We would like the children and our families to take part in one or all of the following activities and we will then put together a special 75th VE Day Anniversary Stay at Home Snippets.
