Dear Parent/Carer,

Welcome back after our half term break.

I am delighted to say that after spending a considerable time reviewing our risk assessment in light of the new lockdown regulations, we have no changes to make so all our existing systems can stay in place.

It is a tribute to our whole community that, to date, we have not had to close a year group bubble. It would also appear that the R rate in Barking and Dagenham is lowering due to people taking the correct preventative measures to keep this virus under control. As a result, it is hoped that after this lockdown, many restrictions will be lifted.

The Barking and Dagenham Director of Public Health has asked headteachers to convey his praise for the community's response to the systems put in place by schools to keep everyone safe. Most of you have taken personal responsibility to wear face coverings, keep a two-metre distance, and not lingering in or outside the school grounds. This lessens contact and therefore the possible spread of any virus or germs. Thank you for doing your bit to keep us all safe.

Keep safe and healthy, and have an enjoyable weekend.

Selina Frazer,
Headteacher.

Guess Who?

Our displays within school are all centred around the Thrive Approach. Child Development is a huge part of the foundations of Thrive. The Thrive Approach uses this to focus on how to support healthy social, emotional and cognitive development as each young person grows. This also provide a lens through which to look at and interpret behaviour, and enable us to determine how best to respond.

Can you identify the member of staff from their childhood photo?

Email the school office with your answer sheet. office@hunters-hall.bardaglea.org.uk
