2. Create yourself an account.
3. Choose "Add a School" and enter:

**@HuntersHallIPS**

Dear Parent/Carer,

The school continues to stay open on the advice of the Government as we are currently in the "delay" phase of the coronavirus. What this means in practical terms is that people who have

- a) A new continuous cough
- b) High temperature (of 37.8 degrees centigrade or higher) are advised to stay at home and self-isolate for 7 days regardless of whether they have travelled or not.

If people who have travelled do not have symptoms they do not need to stay at home, regardless of their travel history. Should you feel unwell and fit these categories, please make sure you use the NHS 111 online and follow their advice and phone the school so we can assess the risk and act accordingly.

I wish you a healthy weekend,

Selina Frazer,  
Headteacher.

Calling all families who had a relative attend the school in 1958. Do you remember a Mr Hunt? If you do please come in and see us.

### Donations

It's that time of year again when lots of children have colds. If you could kindly donate a box of tissues to your child's class this would be very much appreciated.
