Parent Hub

We would like all parents/carers to join us on Parent Hub.

Parent Hub is a FREE app that helps keep you up to date with what's going on at school. You'll receive messages, pictures, documents and newsletters, all in one handy place.

1. Download the Parent Hub app from your app store (iPhone or Android).
2. Create yourself an account.
3. Choose "Add a School" and enter:

Dear Parent/Carer,

Welcome back after our half term break. I hope we are all feeling refreshed and ready for what is often a very busy half term.

Our children all benefit most when all the adults in their lives are working together to provide a loving and supportive learning environment. Our "Dates for the Diary" section outlines many of the workshops and liaison activities we are providing to help you support your child at home. These workshops are designed to give you knowledge and support and you are free to participate in the way you feel most comfortable. If you feel there are areas you would like further workshops in, please contact Mr Bellevue to discuss your ideas.

We also provide wellbeing support and this edition of Snippets has an explanation of how our Thrive project is implemented throughout the school. Further to this, we wish to provide wellbeing support for parents also. We are delighted to be able to offer a series of parent and child yoga sessions which helps with relaxation techniques and how to develop strategies to overcome the stress we all wrestle with in everyday life. I cannot recommend these sessions highly enough and if you wish to participate, please let Mr Bellevue or the school office know.

I wish you a happy weekend.

Year 3 Freshwater Theatre

On Wednesday 31st October, the whole of Year 3 had the opportunity to participate in a theatre production where we joined a daring explorer in unlocking the secrets of an Ancient Egyptian tomb. Furthermore, we encountered Anubis and Tutankhamun. Some children were chosen to hold finger puppet artefacts as well as a model of the River Nile made from shiny, blue silk. Eventually we lifted the curse and escaped the tomb unscathed by answering questions and repeating phrases.

PE Kit during the Colder Weather

As the days are becoming colder it is important that your child has appropriate clothing when taking part in outdoor PE lessons.

For hygiene reasons, children must change out of their school uniform and into another set of clothes for PE. This can consist of: an old school top / jumper / fleece or tracksuit (any colour).

Please make sure your child has a change of clothes to partake in these lessons. PE is a statutory subject and must be undertaken ~ Thank you.

Thrive Approach

As you may be aware we have adopted the THRIVE approach and now have an established THRIVE team who are working across our school to promote children's well-being and development.

THRIVE is a rigorous, targeted and measured approach to emotional and social development, which include positive interactions, enjoyment and shared fun providing an essential climate for the development of neuronal pathways that help a child manage stress, develop concentration and become resilient.

If you have any questions regarding your child's involvement or you would like to know more about THRIVE then please make an appointment to see me and I will be more than happy to help.

Thank you

Miss Gough, THRIVE practitioner
