ARP Garden Project

If you have any unwanted gardening tools, wellington boots, seedling pots, planters etc that you would be willing to donate to the school. These items would be very much appreciated.

Dear Parent/Carer,

Happy New Year.

I trust you had a good holiday and are feeling refreshed ready for a productive term. In school, this term often shows our children maturing in their year group and making good progress.

Every new year we usually set ourselves new challenges and resolutions. My plea to you all this year is to make a pledge around stopping and appreciating what we have and taking time rather than rushing around missing the best of life. If we take time, we have a clearer head about our actions which results in fewer problems and keeps us in a better mood.

This even has an impact on accidents. So many traffic accidents happen because people are rushing round with little time to consider how what they are doing affects others. If our entire school community thinks about where they are parking when collecting their child and drives slowly and carefully, then we can ensure that all our children will be safe on the road outside school this year.

Thank you,

Selina Frazer
Headteacher

Donations

Please can you send in any clean jam jars with lids for us to use for a future fundraiser activity.

After School Sports Clubs

All after school sports clubs re-start back on Monday 14th January. If your child has received a confirmation slip they have received a space in the club highlighted. Please ensure that payment has been made to your ParentPay account (£10 per club, per child) with the exception of Cheerleading as this is a breakfast club there is no charge. Failure to do so will result in your child not being able to participate.

PE Kits

As the months get colder, please ensure your child has the correct PE kit in their PE bags for both indoor and outdoor PE lessons.

Outdoor - Tracksuit bottoms, PE top & jumper (any colour & not school jumper or school trousers)

Indoor - Red Shorts & white PE top

Year 3 Volcanoes & Earthquakes Launch

On Thursday 10th January 2019, Year 3 held a Volcano & Earthquake Launch Day. We choreographed some excellent dance moves when we created dances inspired by volcanoes and earthquakes.

Lots of facts were learnt during the course of the day such as what happened during the April 2015 Nepal earthquake. Did you know that prior to this earthquake occurring the country did not have a system in place to alert its citizens? It now has sirens. We put our artistic skills to the test and produced spectacular sketches and collages. We cannot wait for our science and geography project lessons.
