Dear Parent/Carer,

The end of our academic year is only three days away, with Year 6 finishing at midday on Wednesday, followed by Reception, Years 1 and 2 at 2:05pm and KS2 children at 2:10pm. Please remember these earlier finishing times.

Next Wednesday will be a day of mixed emotions as we say goodbye to our Year 6 children who have made us proud by achieving above national results in all areas at the expected standard in their SATs tests.

We will also be losing Miss Brewer, who has secured a job closer to her home. Two members of staff have earned a well-deserved retirement: Mrs West joined the school in 1989 as a classroom assistant and she has been the smiling, friendly face at the school reception for many years. She has always been dedicated to Hunters Hall and we will miss her.

Mrs Allen, joined our school as a senior leader 12 years ago after many years in the local authority. We have been blessed to have her teaching skill and talent, her wisdom and her caring nature.

We wish all of Year 6 and the three staff mentioned above, every happiness and success in their future and thank them for their contribution to Hunters Hall.

Selina Frazer  
Headteacher.

### CBeebies Prom

This weekend, some of our choir will be participating in the "CBeebies: A Musical Trip to the Moon" in the Royal Albert Hall. This will be shown on the large screen located at Canary Wharf on Sunday 21<sup>st</sup> July 11:00am. Look out for Hunters Hall.

### Coffee Morning

Come join Mr Bellevue for the last coffee morning on Wednesday 24<sup>th</sup> July from 9:00-10:00 am in our Dining Hall. School raffle to be drawn at this event.

### Parent/Carer Survey

We would like all parents and carers to complete the online survey that can be found at this address:

## Car-Free Carpark

At Hunters Hall Primary School, we believe that actions speak louder than words, therefore on Friday 19th July, all of our staff ditched our cars and chose other forms of transport to travel to school. As a majority of our staff travel long distances this was no mean feat. It is testament of the lengths that our staff go, to educate our children about their responsibilities to the local and global community. In the lead up to today, our children were asked to plan what they would like to draw in place of the cars in the carpark. They were allowed to express their ideas about air pollution and how the problem can be solved. They used their critical thinking skills and creativity to think about what a greener version of the carpark could look like. Whilst producing pollution-free pieces of art they also considered the following: The air we share is not as clean as it could and should be – but what is air pollution and what is it doing to us? Where are the clean areas and who is most at risk from pollution?

Look out for future car-free days. It would be great if all parents/carers took part next time too.
