Dear Parent/Carer,

Of course we never stop learning as we go about our daily lives but this week I was lucky enough to take two days out of my normal routine to attend a two day course on wellbeing, facilitated by Thrive.

The course reminded me of our Thrive intention in school; there is a reason for every behaviour and we need to communicate effectively to ascertain why someone is behaving as they do.

It also reminded me of the importance of having clear boundaries for our children. This is the area that can be neglected, especially if we are tired or we want to avoid upsetting our child. To ensure our children are nurtured and develop emotionally, it is essential that we have clear boundaries that are well communicated and kept.

We all know how hard it is to say “no”, but when it is the wise choice, then we must say it and ensure our children understand we mean it. If such rules come from a place of love then our children will feel secure.

I wish you a happy weekend,

Selina Frazer,  
Headteacher.

### Parent Hub

We would like all parents/carers to join us on Parent Hub.

Parent Hub is a FREE app that helps keep you up to date with what's going on at school. You'll receive messages, pictures, documents and newsletters, all in one handy place.

1. Download the Parent Hub app from your app store (iPhone or Android).
2. Create yourself an account.
3. Choose “Add a School” and enter:

**@HuntersHallIPS**

## Debbie Reith

We would like to say a huge thank you and good luck to Debbie, who has retired from the Speech & Language service. Debbie has devoted many years to helping

children develop their speech, language and communication skills, not just at Hunters Hall but across the local authority.

## Year 6 Breakfast Club

Our Year 6 Breakfast club commenced this week. Mrs Hobday and Mr Allen have volunteered their time, before school, in order to provide these extra-curricular sessions. The children are provided with a nutritional breakfast whilst also having fun learning.

## Year 3 Launch Day

We have been learning about stone-age times and people. So far, we have learnt that they made things out of what they could find such as using animal skin for clothing. When they wanted to eat, they would have to hunt some animals then cook them on a fire and they would eat all of it to the bone. We also have been drawing around our hands to make some cave painting pictures that look very nice and we also made stone-age pots out of some blobs of clay. We also are learning about what they do for a living which is nice. By Lola 3D

## ARP visit

On Tuesday, everybody in the ARP visited ASDA. The purpose of the visit was to learn about healthy eating. We were all able to create our own pizza, which had healthy toppings on top.

Did you know that ASDA has a dedicated webpage called, "Kids' Kitchen"? Check it out here:

We have been in 3R making cave paintings with handprints and animals and stick people. Then it was playtime, of course we had fun. After that we went into the Art Room with 3G and made clay pots and lastly sang songs. By Eden 3D
