Dear Parent/Carer,

It has been lovely to see so many parents and carers attending our workshops, curriculum meetings and coffee morning. I hope you all have a copy of this term's workshop brochure which is printed on yellow paper. This brochure outlines the parent events we are providing this term.

I appreciate a number of you have been unable to attend due to work commitments, therefore I would like to direct you to the following pages of our website so you can receive the information presented at this week's curriculum meetings, Trewern meeting and various workshops. These pages are regularly updated with information, slides etc from our workshops should you wish to peruse them.

<http://www.huntershallprimary.org.uk/workshops/194.html>

A number of you have made further suggestions for workshops which we will endeavour to accommodate in the future.

Thank you for your understanding and support as we deal with substantial budget cuts which are a threat to the service we provide for your children and the local community. I am delighted so many of you are keen to become involved in fundraising to ensure we can provide the very best for our children.

At present our playgrounds need some attention and we are planning a fund raising project to protect and develop all three playgrounds. Mr Bellevue is coordinating this project and is investigating funding along with fundraising opportunities.

I wish you a happy weekend.

Selina Frazer  
Headteacher

## World Peace Day - Friday 21<sup>st</sup> September 2018

September 21<sup>st</sup> is known around the globe as International Peace Day or World Peace Day. First recognised in 1981, this event requests that world leaders from every country ask their military and their people to cease fire for one day. It is a day dedicated to the absence of war to allow humanitarian aid to be delivered to those in need.

Many major cities ring a peace bell. Citizens and students wear a white dove to symbolise peace. And other communities sponsor peace parades and vigils.

On Friday 21<sup>st</sup> September as a whole school we will be embracing World Peace Day. We invite our school community to attend a whole school assembly in the KS2 Ball Playground at 9:30am. (Weather permitting)

Poetry, singing, music and arts & crafts will be used to communicate and spread the message of peace. Parents/Carers please inform your child's teacher if you will be able to attend by returning the reply slip that came with the letter.
