

Communication

We continue to use our ParentHub and/or Twitter feed <https://twitter.com/Huntershallps> to communicate messages during the time that the school is closed to most pupils in order to provide childcare to critical workers' children. Home Learning activities, which are updated regularly, can be located here: <http://www.huntershallprimary.org.uk/home-learning/489.html>

Dear parents and carers,

I hope this edition of Snippets finds you all well and coping with the challenges of a slow lifting of lockdown.

It has been wonderful to have so many children return to us. Today we have 149 pupils in school. This is near the pupil number limit we can have to keep current social distancing recommendations and hygiene practices safely in place.

The guidance on what is required to ensure all children can return in September has just been published. I have glanced through it before writing to you today so I can let you know the expectation is for all children to return to school when we open for the beginning of the next academic year on Thursday the 3rd of September 2020.

We will now set about making sure our plans meet the recommendations to allow us all to return safely.

Clearly this will be a challenge and we will continue to be open and honest in our communication with you so you know what we are putting in place to keep your child as safe as we possibly can in the current circumstances.

Meanwhile, please make sure you contact us if you require support or advice. Should you wish to contact your child's teacher, please email the relevant year group email address in the section to the left of this column.

Take care and keep safe,

Selina Frazer,
Headteacher.

NHS 72nd Birthday

On 5 July 2020, it will be 72 years since the NHS and social care system was established.

2020 has been the most challenging year in NHS history. This year, the birthday is an opportunity to recognise, reflect and remember. To recognise the skills, commitment, achievements, compassion and diversity of all our 1.9 million people, across more than 350 different professions.

Over the last few months, staff have worked around the clock to tackle coronavirus – caring for the 100,000 patients with COVID-19 who needed specialist hospital treatment and treating countless others besides, redesigning services and creating backup Nightingale hospitals.

On Sunday 5 July everyone is invited to come together at 5pm, and applaud the commitment, courage and sacrifice shown by so many.

Protected Characteristics

Equality, the state of being equal, especially in relation to status, rights or opportunities. To promote equality in the workplace, the Equality Act came into force way back in 2010.

It protects people from discrimination against nine specific protected characteristics.

Can you name all nine?

We would like you to design a poster which informs people about the nine protected characteristics. Send your posters to office@hunters-hall.bardaglea.org.uk
