Dear parents and carers,

I hope you have been in a position to get outside and enjoy the wonderful weather we have been having lately. Certainly looking at some of the photographs we have received, it looks like many of you have found a way of having a lot of fun in the sun.

I am well aware that we are having many different experiences during lockdown and for some it has been a very challenging time. Should you need to talk to us about anything at all, please remember we will do our best to give our support. You can contact us on the school number and request to talk to a particular staff member. You can also email the school office, requesting a communication with a staff member. If your concern is about your child's home learning, then email the appropriate year group and a teacher will respond. Should children wish to email their teacher, they can also do so through the year group email.

My letter to you on Monday outlined the school's intention for reopening and today the parents of children in Reception received a further communication setting out our plans in detail. As yet, we do not have a reopening date but we are hoping to open our Reception classes as soon as possible.

Meanwhile, all other year groups will be receiving their home learning in the usual way and we look forward to receiving more of your photographs and work to share with our school community.

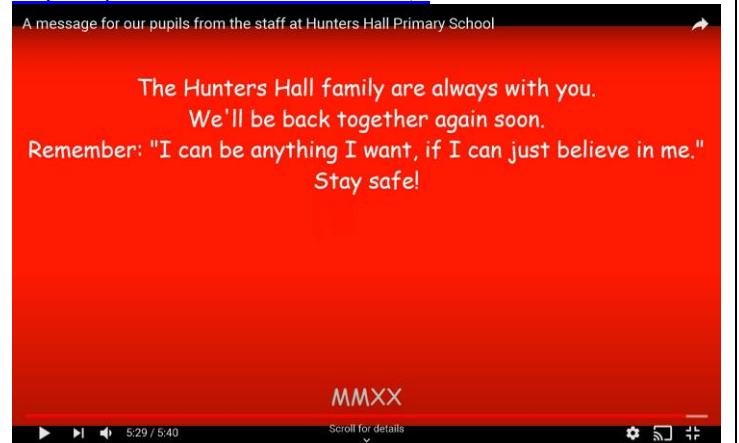

Best wishes and continue to stay safe,

Selina Frazer,
Headteacher

History in the Making

The Rainbow Children by Gemma Peacock

The history books will talk of now,
That time the world stood still.
When every family stayed at home,
Waved out from windowsills-
At those they loved but could not hold,
Because they loved them so.
Yet, whilst they did they noticed all the flowers start to grow.

The sun came out, they can recall,
And windows, rainbows filled.
They kicked a football in their yards,
Until the night drew in.
They walked each day but not too close,
That time the world stood still.
When people walked straight down the roads,
That once the cars did fill.

They saw that people became ill,
They knew the world was scared.
But whilst the world stood still they saw,
How much the whole world cared.
They clapped on Thursdays from their doors,
They cheered for the brave.
For people who would risk their lives,
So others could be saved.

The schools closed down, they missed their friends,
They missed their teachers so.
Their Mam's and Dad's helped with their work,
They helped their minds to grow.
The parents used to worry that,
As schools were put on hold,
Their children wouldn't have the tools,
They'd need as they grew old.

Nursery Zoom Meeting

Nursery staff held their 2nd Zoom meeting and asked all the children to hold up pictures and things they had been making at home. The children showed paintings, writing, and one little boy was still painting his junk model of a truck online.
