Workshop 9:00-10:00am and 12:30-
1:30pm

Monday 27th to Tuesday 4th June 2019 –
Half Term Holiday followed by teacher
training day. Pupils return to school on
Tuesday 4th June.

Dear Parent/Carer,

Sometimes it is during the busiest or toughest weeks that we realise how lucky or strong we are.

This week we have had the Year 6 SATs tests and I am very proud of the children and the attitude they displayed during their assessments. I must also thank our wonderful staff who volunteered to come in early without extra pay, to ensure that all the children had breakfast and were happy and settled before each test. This made such a difference to the children's confidence and attitude. So many staff made themselves available to support and reassure the children as we all recognise that a happy child is more likely to learn and demonstrate what they know.

It is important that we let our children know that SATs only measure their academic learning and they have so much more to offer in life. We all know that some of the most important things in life, like love and happiness, just can't be measured.

I wish you all a happy weekend.

Selina Frazer
Headteacher.

11-15 Zip Oyster Photocard

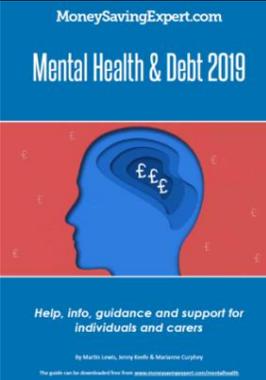

For those children going to secondary school, please see the link below to apply for a Zip Oyster Photocard which entitles them to free / discounted travel.

<https://tfl.gov.uk/fares/free-and-discounted-travel/11-15-zip-oyster-photocard>

Speak to Mr Bellevue if you require any assistance in applying.

Mental Health

This guide is not only aimed at people experiencing mental health difficulties, but friends, family and carers who want to help them tackle their finances.

It was written with guidance from several leading charities and organisations, including Mind, Rethink, Citizens Advice and others.

Throughout the guide, there are tips to start taking small steps to cut debt. Click the image to download or find a copy on our school website.

Fundraising

Please help us raise funds by sending in all your unwanted yet reusable clothing, paired shoes, handbags, accessories, perfumes, bedlinen and soft toys in the happy sack provided.

Bring your filled bags to school on **Friday 28th June**.

Attendance

Congratulations to 2G in Key Stage 1 who achieved 100% this week and 6M in Key Stage 2 with 99.24%

Class	Attendance %	Class	Attendance %	Class	Attendance %
RC	92.62	2G	100	4R	96.17
RL	93.62	2T	93.36	5M	97.86
RM	94.67	3B	94.47	5S	96.31
1E	92.65	3K	97.23	5T	97.44
1H	97.04	3R	94.47	6A	98.52
1HV	97.33	4AC	93.28	6M	99.24
2A	95.26	4P	95.90	6N	99.23

We have been awarded the Primary Science Quality Mark! Primary Science Quality Marks have been awarded to 200 infant, junior, primary, middle and special schools to celebrate a commitment to excellence in science teaching and learning. So far, since its national launch in 2010, over 3000 schools across the UK have achieved a prestigious Primary Science Quality Mark. The Primary School Quality Mark programme ensures effective leadership of

science, enables schools to work together to share good practice and is supported by professional development led by local experts. It encourages teacher autonomy and innovation while at the same time offering a clear framework for development in science subject leadership, teaching and learning. Schools that achieve PSQM demonstrate commitment and expertise in science teaching and leadership.

Jane Turner, PSQM National Director said: "Gaining a Primary Science Quality Mark is a significant achievement for a school. The profile and quality of science teaching and learning in each awarded school is very high. Children are engaging with great science both in and outside the classroom, developing positive attitudes towards science as well as secure scientific understanding and skills. Science subject leaders, their colleagues, head teachers, children, parents and governors should be very proud."

We would like to thank Miss Ede and Miss Vernon for leading us in science and also thank all teachers for their enthusiasm and passion when teaching science.

Rocksteady Music

Next week, Rocksteady Music will be coming into school on Tuesday 21st May. They will

be hosting a range of workshops throughout the day. There will also be a special parent/carer workshop at 3:15pm. Please come along to the Upper School Hall.

Visit the following website to discover more about Rocksteady.

Our Wonderful World

On Wednesday 15th May 2019, we launched our new topic 'Our Wonderful World'. On that day, the children came into school dressed in country flag colours of their choice. They also wore traditional clothes which reflected their culture. The children had lots of fun visiting India, Indonesia, Poland, Lithuania, Nigeria and

Ghana. Two children have written about their experience.

"I learnt that the climate changes all over the country in Ghana. I learnt that Nigeria is a country in West Africa." Gerda Agejeva.

"I learnt that Indonesia has

two seasons called the Dry Season (May to September) and there is a Wet season (October to April). In India they don't just have one official language." Hetty Chen

Our Wonderful World continued...

"On the 15th of May 2019 we launched our new topic which is: Our Wonderful World. On this day all of the year three classes chose a continent and two countries from that particular continent. Miss Khumra chose Asia and from there she chose India and Indonesia; Miss Brewer chose Africa and from there she chose Ghana and Nigeria and Miss Ryan chose Europe and in particular Poland and Lithuania. We had to find out facts about all of those countries. We had to travel with our passport which we made in class or else we would have our flight delayed. It was so fun! Mark our words... **so fun.**" By Saim & Gaius 3K

Fashion Show

FASHION SHOW

An exciting evening of fashion & fun hosted by Travelling Trends

A ladies night out with a difference! As well as a live CATWALK SHOW, there is ample time to try on & buy this season's High Street & Branded fashions. All at bargain prices!!
