| Dates for the Diary | Dear Parent/Carer, | | | | | | | |
| Autumn Term 2021 Wednesday 22 nd September – Bring a soft toy to school day fundraiser Wednesday 22 nd September – Coffee Afternoon fundraiser 2:00-3:00pm Wednesday 22 nd September – HENRY | Now that we have settled into the new academic year we would like to share a few issues that are preventing our school running as safely and as efficiently as we all would like. Firstly, thank you to the overwhelming majority of you for being so courteous and supportive in following our systems | | | | | | | |
| commences <u>https://www.henry.org.uk/</u> Thursday 23rd September – Change to dinner menu (see poster below) ************************************ | which are set out to ensure the smooth running of the school for all our children. There are a few areas that we ask some of you to please endeavour to follow for the benefit of our whole school | | | | | | | |
| Monday 25 th October to Friday 29 th October – Half Term Holidays Monday 1 st November – INSET Day (no pupils) Tuesday 2 nd November – All pupils return to school Tuesday 16 th November – Flu Immunisation (1 st session) Friday 10 th December – Flu Immunisation (2 nd session) Transiton to Secondary School 2022 If you have a child in Year 6, please apply on line before 31 st October 2021 at either www.eadmissions.org.uk or use the link at www.lbbd.gov.uk/admissions. | Please DO NOT stop your car or park on the zigzag area. It must be kept free to keep all pedestrians safe. Please keep the speed at which you drive slow to avoid accidents and to ensure everyone stays in good mood and all our children are safe. Please be polite when speaking to any member of staff. Everyone is doing their best and I am sure we may irritate some of you at times, but please remember our intention is always to do the right/safest thing Parents of children in Years 3,4,5 and 6 should not enter the ball playing or pagoda playgrounds in the mornings. No child should enter either of these playgrounds until they are supervised at 8:30. All doors will be closed at 8:45. It is not fair on your child if they are late. They have to walk into a class that has already started and miss the activities that help them settle the routines of the days. | | | | | | | |
| Apply online for a secondary phase school place now: Barking & www.eadmissions.org.uk | Best wishes, Selina Frazer & Michael Kaitell, Co-Headteachers | | | | | | | |

Dear Parents/Carers

Come join me for a coffee/tea and a chat on Wednesday 22nd September 2021 from 2:00-3:00 p.m. in our Training Room/Garden

Looking forward to seeing as many of you as possible.

Patrick Bellevue Family Support Worker

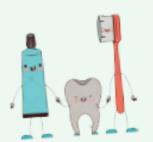

LOVE YOUR PLANET

BE ENERGY EFFICIENT IN SCHOOL & AT HOME

1. REMEMBER TO SWITCH OFF ALL ELECTRICAL EQUIPMENT WHEN FINISHED USING YOUR (XBOX, PLAYSTATION).

2. SWITCH OFF LIGHTS WHEN NOT NEEDED.

3. WHEN BRUSHING YOUR TEETH OR WASHING

4. KEEP DOORS CLOSED AT HOME OR SCHOOL TO

YOUR HANDS DO NOT LEAVE THE WATER RUNNING WHEN FINISHED

KEEP THE HEAT IN THE ROOM TO SAVE ENERGY

5. SWITCH OFF THE TV WHEN NOT IN USE

Build the Change

The LEGO Group is asking kids to get involved with big picture issues in its latest sustainability campaign.

Build the Change tasks young builders with tackling tough environmental issues through bricks, coming up with solutions for global problems. It's centred around an online challenge for seven- to 12year-olds, presented by minifigure guides Linda and Leo.

The activity kicks off by asking kids which environmental issues they're most concerned about. They'll then have to let Linda and Leo know how they feel about those problems.

It all leads in to Build the Change's "Big Challenge", which involves kids using their bricks (or whatever creative materials they've managed to find) to build something that could help wild animals overcome challenges wrought by climate change. Once they've assembled their idea, they can then photograph it and share it with the world on LEGO.com.

Finally, children will be encouraged to compose three instructions which they would give world leaders to protect our planet from climate change.

Click the following link or copy into a web browser to submit the three instructions.

Feel Good Friday is back, and this year it's better than ever with some fantastic new features. There's an extra new stream, a new time, and a new improved hosting platform, which means there will be some changes to how you log in.

The exciting news is that Rocksteady have added a new stream. The lessons will now be split into three focused streams, to enhance the children's learning experience.

Our pupils' musical knowledge will grow through activities perfectly suited to their age range, as they move through the school. Each stream will still bring together the best performances, insights, musical learning, and interactive games, that you know and love, but even more tailored for our classes.

Watching on-demand – You'll be able to watch on-demand at a time that fits your timetable. Simply use the following links below after 2pm on a Friday to register for on-demand access to the stream. You can then watch on a day and time that suits you.

RECEPTION TO YEAR 2

To register for this event click here or copy this url into your web browser https://webinars.rocksteadymusicschool.com/ref/B2SCdZ8buojxR6rV

Band Leader Tommy will cover:

- · Musical Toolkit We delve into the toolkit to explore more about 'pitch'.
- Copycat Warm-ups Rachel is back to get the children's voices warmed-up. What fun activities has she got lined up to help the children understand 'pitch'?
- Sing & Sign We continue to learn the lyrics and Makaton signs for our featured song 'Best Day of My Life' by American Authors. This week we focus on the verse.
- At The Movies Performance As we continue to celebrate songs from films, this week we enjoy a hit by Randy Newman, featured in Disney's Toy Story.

YEARS 5 AND 6

To register for this event click here or copy this url into your web browser https://webinars.rocksteadymusicschool.com/ref/IHgJ9uXYn6W12EgG

Band Leaders Tommy, Paul, and friends will cover:

- The Theory Lab A look at the science behind musical theory, this week we examine 'duration', learning all about how different musical notes can vary in length.
- Vocal Zone Breath control is such an important part of singing. The children will explore how breathing impacts things like your pitching, and we'll learn some exercises to help improve our breathing technique.
- Musical Word of the Week 'Technique' is this week's word. We'll focus on what it means in relation to music and highlight some examples of musical techniques that musicians spend years trying to perfect.
- Sound Pioneers Performance As the first to introduce the 'tapping' technique to the world, Eddie Van Halen is a true sound pioneer. An extraordinary guitarist and artist, we celebrate his work with a performance of his band's 1983 hit, 'Jump'.

YEARS 3 AND 4

To register for this event click <u>here</u> or copy this url into your web browser https://webinars.rocksteadymusicschool.com/ref/xZ2TZV5EGIYTk9ns

Band Leader Paul will cover:

- Rhythm Rally This game will test the children's listening skills as Paul claps out a rhythm for the children to repeat. Can they spot the danger rhythms though?
- One, Two, Three, Four Rachel explores the importance of warming-up your voice in the Vocal Zone, and she's got a chant to help you do just that!
- Musical Word of the Week This week we explore the word 'pitch'. The children will learn more about this fundamental part of music, including how to develop your aural awareness of different pitches.
- Spotlight Instrument Performance The keyboard takes centre stage with a
 performance of 'The Final Countdown' by Europe. Tune in to hear one of the
 most famous keyboard riffs of all time.
