Dear Parent/Carer,

I have written on a number of occasions about stopping your car in a sensible place so all our children can be safe. This week, I am handing my Snippets address over to the school council. I hope everyone takes heed of their plea.

- 1) Please stop parking on our zig zag lines. This is where we walk into school. It is dangerous. There are lots of safe places to park.
- 2) Parking on the zig zag line is dangerous. You should know better!
- 3) NO dropping or stopping on the zig zag lines

Further comments from our school council can be found on the next page. Please listen to our children.

Selina Frazer,
Headteacher.

No buggies or prams to be left on site

We have an area specially reserved for children or staff parking their bikes or scooters safely when they are in school. Lately, some parents have left buggies or prams in this area. Please do not leave buggies or prams at the school. This is a clearly marked bike and scooter zone.

Thank you.

Donations

We are looking for donations of bean bags or a small sofa to go in the wooden shed that is in our playground. Any items donated must have fire retardant labels to keep everyone safe and comply with Health and Safety regulations.

Remembrance

This week, Miss Frazer and Mr Kaitell led assemblies for KS1 & KS2 on the subject of Remembrance. This is in preparation for this Sunday's Remembrance Day service and for Monday 11th November –

Armistice Day 2 minute silence at 11:00am.

The children were given time to reflect as well as learn more about why we as a nation take time to think about all those who have dedicated their lives to protecting our future ever since the First World War.

Also taking place next week will be Year 5's Remembrance production on Tuesday & Thursday.

*On the eleventh hour
of the
eleventh day, of the
Eleventh month...*

*...we will
remember
them*

Plea from School Council

Isabella 3R

Please stop parking on the
**ZIG ZAG
LINE!**

parking on the zig zag line is wrong
Reasons being: little children are getting
injured and people's cars are getting
damaged creating serious emergencies.

Please keep this in mind
For Safety

Plea from School Council

Dear parents and carers
We want to try and stop people from parking on the zig zag lines and you could help by stop parking on the zig zag lines and here are five reasons why you should never park on the zig zag lines.
1. It is very dangerous to adults and especially little kids.
2. It makes it a lot more easy for people who need to cross because then they don't have to walk around the cars.
3. Then teachers can stand out side and greet all the adults and children they see.
4. There is a more open view and you can see if someone has fallen over more easily.
5. It helps keep children and adults safe and healthy.
