ParentZone workshop for parents & Carers 9:00am

Dear Parent/Carer,

I am privileged to have many wonderful moments in my job as Headteacher and yesterday provided another. Year Six met with two past pupils who attended the school from 1943 before transferring to the Royal Liberty Grammar School.

I was lucky enough to be teaching in Year Six when we looked at our old school log books, punishment logs and local OS maps from 1946. Thankfully neither of our visitors appeared in the punishment log!

Both gentlemen were members of the school football team and they met with our current team who were impressed at how fit and healthy they were. They recommended regular sport and exercise along with an interest in learning as a recipe for a long, healthy, happy life.

I think that is great advice for us all.

Primary Music Day

On Tuesday 12th, a group of talented musicians from Years 4 & 6 attended the first Primary Music Day held at Barking Abbey Secondary School. The event even got the attention of the Barking & Dagenham Post. During the day, the children not only performed two pieces of music as an orchestra, but also sang, "This is Me." A song that celebrates being unique.

Viking Day

On Thursday 14th Year 6 did a Viking Workshop. All the classes had different stories but our class had a story about Thor (the god of thunder).

The man who did the workshop was hilarious. I really enjoyed it and some of my other friends liked it too. The story was about a god called Thor who lost his hammer and a frost giant called Thrim took it. Thrim wanted Freya as a wife but Freya said no so Thor dressed up as Freya and got his hammer back.

Everybody got to act as a character like Samson and Arek were Thor, Sneha was Freya, I was Odin, Jadon was Loki and Alivia was Thrim.

It cost £6 but it was worth it. I would recommend this to anyone if they love comedy and history.

Family Fun Day

Nick Brewer

Nick Brewer, a rapper and an Ambassador of Anxiety UK visited our school today. He started his visit with Talkabout Workshops with Years 5/6. He explained how he became a rapper and what his school days were like. Later in the day he worked with classes to create their own rap.

Tenacious Kidz

Every Wednesday, the children pictured, attended a fun and engaging project called Tenacious Kidz. During the sessions, the children played games, solved problems and developed useful life skills, namely, self-respect, self-confidence and friendship.

Our children always astound us with the effort that they put into homework projects. From time to time, we will aim to showcase some of the fantastic work that is taking place outside of school that has been inspired by our talented teaching staff and our wonderful, creative curriculum.
