With thanks to Mr Singh for all his hard work, we have renewed our Fair Aware award for another year. Dear Parent/Carer,

Welcome back to our final term of this academic year.

This half term may be short but it is very busy with external assessments for Years 2 and 6. To give our children the best chance in these tests, it is important that they attend school every day and arrive on time. Absence and lateness can really have a detrimental effect on our children as it puts them out of routine or causes them embarrassment arriving late into an already settled and working class.

The Year 2 assessments will take place in small groups throughout the month of May. The Year 6 tests have a set timetable during the week beginning the 13th May. Parents of Year 6 children will receive a letter regarding a SATs Breakfast Club which helps to settle the children and ensures they have eaten before the tests begin.

I wish you all a happy weekend.
