Dear Parent/Carer,

On Tuesday, the children took part in an excellent sporting event organised by Miss Thomas. GB gymnast Courtney Orange led physical activities which raised the children's (and some staff's) heart-rates. Thank you to everyone who sponsored or was sponsored. Once we have a final figure, we will announce this after half-term.

Thank you to all families who attended parent/carer consultations. As requested, this time around, individual appointments were given so that you could see your child's progress and discuss your child's achievements and next steps. After half-term, Year 6 and the classes who did not hold consultations will take place.

On Wednesday, Mrs Bright and I had the pleasure of taking a group of children to Parkview Care Home, where we were given a special afternoon tea entitled Pudding Club. Not only were we blown away by the selection of patisserie, we were impressed by the love and attention their staff team clearly give to the residents.

I hope that you do not mind me taking the liberty to dedicate this edition of Snippets to my nan, who passed away yesterday at the grand age of 97. One of the reasons I want to share this personal moment with you is that my nan was a true inspiration to me, and I know that my work ethic has been hugely influenced by her attitude to keeping active and having a purpose.

Please keep showing and telling your loved ones how much they mean to you. Have a very safe half-term.

Michael Kaitell  
Headteacher

## Uniform Reminder & PE Days 2023-2024

During the course of this academic year, we are phasing out some of our school uniform in an effort to make it more affordable for our parent body.

Our school uniform provider now sells school badges for £1.20 so that you are able to purchase plain white polo shirts/ plain red jumpers/cardigans and iron on the badge. (Our current provider will continue to sell their stock of red and grey uniform items and staff has been informed that it is a gradual phase out)

We have reduced the number of days that children require their school uniform by allowing them to wear their PE kit on two days of the week. (You will be notified if there is a special day such as school photographs so that you can ensure that children are dressed appropriately.)

### **Why do you work at Hunters Hall?**

About seven years ago I came to visit the school as part of my previous job, and as soon as I walked through the door I got a sense of belonging. Even though I was only visiting the people and atmosphere welcomed me. I am a strong believer that a child has to be regulated in order to learn, and here at Hunters Hall they put the children's well-being at the forefront of everything they do and I wanted to be part of this. Luckily for me I got the job!

### **What's your role?**

I'm the Assistant Head Teacher for Inclusion. I am also the Behaviour Lead, Senior Mental Health Lead, Deputy Designated Safeguarding Lead and Thrive and Drawing and Talking Practitioner.

### **Favourite things...**

I love spending time with family and friends. I love the theatre and have been lucky enough to see so many great shows. I really enjoy reading, especially autobiographies and true stories.

### **Own School Memories**

I went to John Perry Infant and Junior school (it was not a Primary when I was young). I remember one teacher Mrs Hackett. She was my Year 2 teacher. Every time we had to walk down the corridor to assembly or lunch she used to sing and dance and get us to join in with her.

John Perry had a swimming pool and I remember walking across the playground, no matter the weather, to have swimming lessons. This was fine in the warmer weather, but in the rain and snow I was not impressed.

### **Hopes & Dreams**

To win the lottery, but I have to do it in order to be in for a chance of winning the jackpot. For all my family and friends to be healthy and happy and the whole world to become a happier place for all.

### **How long have you been at Hunters Hall?**

I started at Hunters Hall in September 2018 so I am in my sixth year.

### **Achievements to date (in order)**

British Sign Language – Stage 1. When I retire I am aiming to carry this on and attend college to gain my stage 2 and beyond.

Qualifying to be a teacher was one of my biggest achievements. Growing up I always knew that I wanted to work with children, but was not sure in what capacity. When I was younger I had a negative mind-set and told myself that I could not possibly become a teacher. It was the Headteacher at John Perry (I worked there as a teaching assistant) that made me realise I was capable and could achieve anything I put my mind to. I qualified at the age of 30 and have never looked back.

Becoming a Thrive Licensed Practitioner.

Completing the training to become Senior Mental Health Lead for the school.

Becoming a Drawing and Talking Practitioner.

The achievements I am proudest of is when ex pupils stop me in the street to tell me how I had a positive impact on their life and made them the person they are today.

## Reading for Pleasure Matters at Hunters Hall

We are currently thinking about stories set in different countries. Come and see our Reading Around the World display. Here are our next three stories set in three different countries.

### Reading interest: 4-8

'Lost and Found' by Oliver Jeffers is a story about a boy who finds a penguin on his doorstep. Thinking it is lost, the boy decides to set out on a journey and take the penguin home to the South Pole. But when they get there, the boy discovers that maybe home wasn't what the penguin was looking for after all.

### Reading interest: 8-12

In 'Greek Myths' by Marcia Williams you will find eight favourite myths including the stories of Theseus, conqueror of the dreaded Minotaur, Perseus, the dragon slayer and the story of Pandora and her box of horrors. Each of the stories is retold in a dramatic cartoon style.

### Reading interest: 10-adult

'The Mozart Question', by Michael Morpurgo is set in Venice, Italy. Journalist, Lesley is sent to Venice to interview world renowned violinist Paulo Levi. She cannot believe her luck. She has been told that she can anything she likes – except the Mozart question. But it is Paulo himself who decides it is time for the truth to be told.

## Get Caught Reading!

Looking for a fun way to encourage your children to develop a love for reading?  
Encourage them to 'Get Caught Reading'!

By Friday 8<sup>th</sup> March, we would like the children to take photos of themselves reading in unusual places, which we would then like to display in school.

This could be on a slide, up a tree, upside down, or even while on holiday! – we know the children will enjoy being creative!

Please print off your pictures and hand in to your class teacher, or email your photos here:
