### Dear Parent/Carer,

Firstly, I would like to extend a warm welcome back to you all following the recent half term. It has been wonderful to see the children return with such enthusiasm for learning and we are excited for the term ahead.

We have lots to look forward to this half term, including many science events that have been organised by Ms Vernon, World Book Day organised by Miss Neil and Year 1 will be having a Dino Day! These exciting events enrich the children's learning and allow them to showcase everything they have learnt, as well as increasing their confidence. Look out for updates of these events in future episodes of Snippets.

A reminder that for World Book Day this year, we are asking children to 'Dress as a Word'. We are always looking for ways to enrich children's vocabulary and this is a fun way to do it. Please do not spend money on buying anything new for this day, use what you have at home and get creative! Below are a few ideas to help.

### Uniform Reminder & PE Days 2023-2024

During the course of this academic year, we are phasing out some of our school uniform in an effort to make it more affordable for our parent body.

Our school uniform provider now sells school badges for £1.20 so that you are able to purchase plain white polo shirts/ plain red jumpers/cardigans and iron on the badge. (Our current provider will continue to sell their stock of red and grey uniform items and staff has been informed that it is a gradual phase out)

We have reduced the number of days that children require their school uniform by allowing them to wear their PE kit on two days of the week. (You will be notified if there is a special day such as school photographs so that you can ensure that children are dressed appropriately.)

Red jumper/ Cardigan (with logo/ iron-on badge)

Swimming is part of the national curriculum. Children in Year 4 and 6 are offered swimming lessons. From time to time, other selected pupils are given the opportunity.

Children must have a suitable swimming costume, a towel and a swimming hat.

This year, we will be operating a mobile swimming pool on the school site during June and July.

World Book Day ~ 7<sup>th</sup> March

# Help Hunters Hall celebrate all things 'literary' this year by dressing up as your favourite 'wow' WORD!

# This is the perfect opportunity to get creative!

Maybe you'll choose an adjective, noun, verb or even an onomatopoeia!

We can't wait to see what you come up with!

Science Week is coming and to celebrate it we will be having our 1<sup>st</sup> ever Science dress up day!

On <u>Wednesday 13<sup>th</sup> March 2024</u> we would love all the children and teachers to come in dressed in something linked to Science.

You could be a flower, the sun, a scientist, an animal or any link at all!

(Please think about clothing they already have that may be Science related i.e. a butterfly top - you don't need to buy!

Here are a list of topics we study for inspiration

Sound, space, electricity, animals, living things, plants, rocks, seasons, light, materials.

Please pay the amount below on ParentPay by Monday 11th March which will pay for our visit from Science Boffins that week,

- £1 Reception to Year 5
- £5 Year 6 pupils they will be having a special workshop

### Reading Around the World

Our Reading Around the World Display is now finished. We certainly found books set in lots of different countries. Thank you to all members of staff who helped to suggest books they have read and enjoyed. It has been nice to see children taking about the books we showcased from the library and then telling us how they enjoyed them.

Our next Hunters Hall Reading Matters article, starting next week will be sharing stories about love and friendship. Pretty important, we think.

### Get Caught Reading!

Looking for a fun way to encourage your children to develop a love for reading? Encourage them to 'Get Caught Reading'!

By Friday 8<sup>th</sup> March, we would like the children to take photos of themselves reading in unusual places, which we would then like to display in school.

This could be on a slide, up a tree, upside down, or even while on holiday! – we know the children will enjoy being creative!

Please print off your pictures and hand in to your class teacher, or email your photos here: <u>yfour.301@bdcs.org.uk</u>

We can't wait to see what and where our pupils have been caught reading!

# Get Caught Reading! Deadline: Friday, 8th March 2024

### Send in a photo of you reading your favourite book somewhere weird and wonderful!

Will it be in a tree, hanging upside down at a playground or maybe even in a bathtub?!

Print off your photo and hand it into your teacher, or send your photos to the email below for your chance to win a fabulous prize!
