Dear Parent/Carer,

This week, whilst I was on gate duty, somebody used a proverb which I strongly believe in:

“It takes a village to raise a child.” This made me think about our school community and how we are all interconnected. It also got me to think about the origin of the proverb. It is said that the saying originates from the Nigerian Igbo community.

Please remember to ask for help if you find yourself in need of assistance. Together we can always find a solution.

We were doing really well with regard to children not being late for school; however, recently lateness has been creeping up. Being on time for school is vital as it prepares the children for the world of work, where being late regularly is unacceptable. Research shows that lateness has a profound effect on children’s learning, behaviour, stress levels, and wellbeing. Imagine what it feels like if you are ever late for an appointment, work, flight, train, bus or event.

This week, as predicted has been superb, particularly in the area of science and singing. I would like to say a sincere thank you to Ms Vernon (our science lead) and Mrs Bright (our music lead) for their organisation and running of the science week and music festival. But as I also said earlier in my message it does take a village; therefore, thank you to the staff team and our wonderful children for their contributions to these two events.

Don't forget that this evening's Comic relief starts at 7pm and you can watch it on: BBC One, BBC Two, and BBC iPlayer.

Year 3 Disco

Year 3 **DISCO** Year 3
When: Monday 25th March
3:15-4:15pm

(Children who are attending can bring disco clothes and change into them at school.)

Where: Upper School Hall

Entry price: £2 to be paid on the day

Children will be given a drink, crisps and a glow stick

Let's have some end of term fun.

School Uniform

School uniform can be purchased from 3:00-4:00pm in the dining hall. The dates vary throughout the year. Next date is: **Wed 27th March.**

In a hope to reduce the cost of school uniform, from September, you will have the option to purchase iron-on badges for plain white polo shirts and plain red jumpers. Badges will cost £1.20 and should make uniform more affordable.

Uniform can also be purchased online:

www.schooluniformdirect.org.uk/schools/product-category/schools-and-clubs/hunters-hall-primary/

Or Telephone: 01992 763679 / Email: info@schooluniformdirect.org.uk

Parent Hub

We would like all parents/carers to join us on Parent Hub.

Parent Hub is a FREE app that helps keep you up to date with what's going on at school. You'll receive messages, pictures, documents and newsletters, all in one handy place.

1. Download the Parent Hub app from your app store (iPhone or Android).
2. Create yourself an account.
3. Choose "Add a School" and enter:

Uniform Reminder & PE Days 2023-2024

During the course of this academic year, we are phasing out some of our school uniform in an effort to make it more affordable for our parent body.

Our school uniform provider now sells school badges for £1.20 so that you are able to purchase plain white polo shirts/ plain red jumpers/cardigans and iron on the badge. (Our current provider will continue to sell their stock of red and grey uniform items and staff has been informed that it is a gradual phase out)

We have reduced the number of days that children require their school uniform by allowing them to wear their PE kit on two days of the week. (You will be notified if there is a special day such as school photographs so that you can ensure that children are dressed appropriately.)

Swimming is part of the national curriculum. Children in Year 4 and 6 are offered swimming lessons. From time to time, other selected pupils are given the opportunity.

Children must have a suitable swimming costume, a towel and a swimming hat.

This year, we will be operating a mobile swimming pool on the school site during June and July. |

Why do you work at Hunters Hall?

I really like the way all the staff are friendly and are very quick to roll their sleeves up and get involved. They are also very good at interacting with the pupils and helping to sort out any issues. It is a very professional but relaxed place to work.

What's your role?

ICT support technician.

Favourite things...

I enjoy travelling and exploring new countries.
I enjoy time spent with family and friends.
I enjoy photography.
I enjoy sailing.

Own School Memories

I thoroughly enjoyed maths, technical drawing and woodwork. Unfortunately, we only had one computer in the school, so I did not get a chance to use it.

Hopes & Dreams

I am hoping to visit Japan next year to see the cherry blossoms, I am also planning a sailing holiday around the Greek islands with my friends to hopefully get them enjoying sailing as well.

How long have you been at Hunters Hall?

8 years.

Achievements to date (in order)

I started working in a sound recording studio after leaving school.
I then worked for several companies installing audio and sound equipment. Then started installing audio/visual equipment in schools.
I started sailing in 2016 and helped crew a racing yacht around the Isle of Wight in 2017. We finished in just under 7 hours (fourth in our yacht class) it was a fun experience, but very hard work.
Walking my daughter down the aisle in 2022.

Red Nose Day ~ Make Your Face Funny!

Science Week

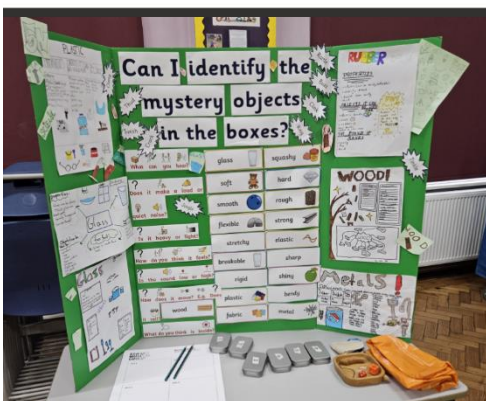

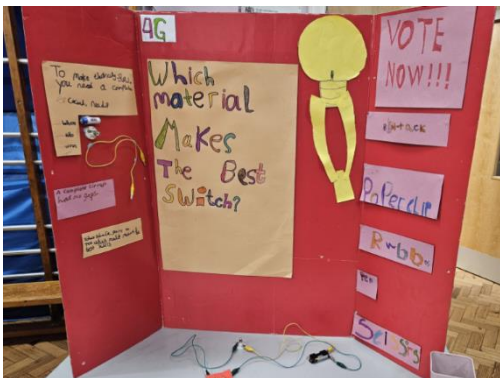

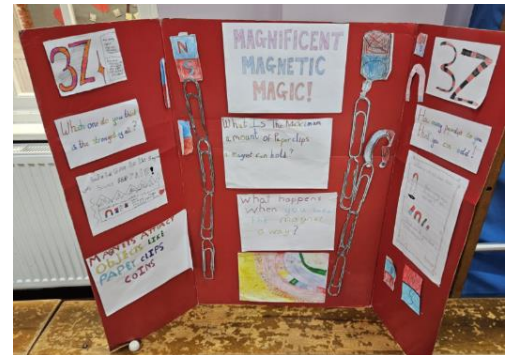

Wow! What a fantastic week celebrating Science Week 2024! On Tuesday we had our Science Fair, which was a fantastic success with pupils aged 7-11 teaching peers of all ages what they have learnt in their Science lessons. The confidence and enthusiasm from the children was so wonderful to see. Everyone put so much passion and effort into their science investigations and every year the standard gets higher and higher.

On Wednesday we had our 1st ever Science dress up day. It was so lovely to see the effort everyone went to and the joy in their faces when they saw their peers and teachers dressed up!

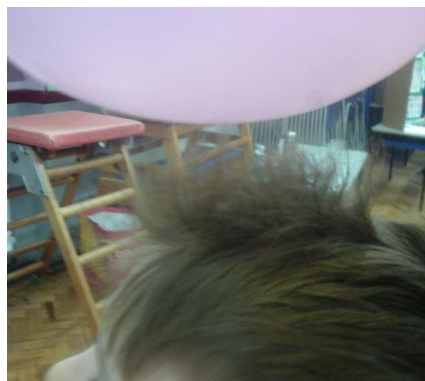

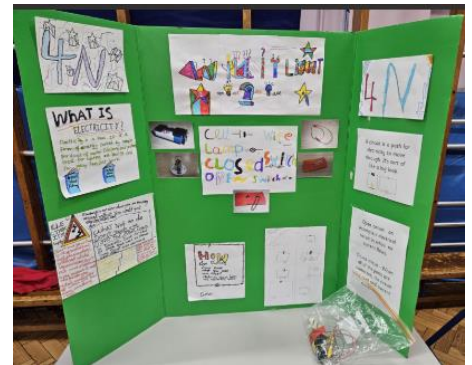

Finally, on Thursday we had our visitor, Keith from Science Boffins. The excitement filled the hall in our 2 assemblies for children in Reception up to year 6. Following this, our year 6 pupils had fantastic time learning all about plasma as part of their animals including humans topic. This all culminated in a whole school event in the playground with a rocket launch which was thrilling to watch!

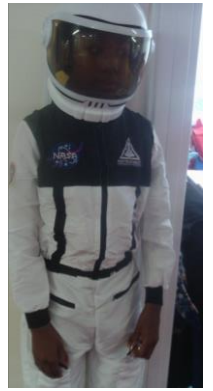

Thank you so much for all your support over this week. I know the children have really enjoyed it and these events will remain in their memory for a long time to come. Please remember to transfer payment for the Science Boffins visit asap if you haven't already done so.

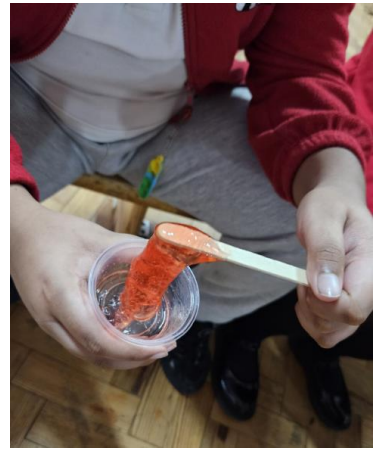

See below some photos of Science week.

Reading for Pleasure Matters at Hunters Hall

Good Friends, are important. We need to have friends we can laugh and spend time with, friends we know will be there for us, always. Our new recommendations are about love and friendship. Here's our next set of recommendations. Remember, you can find them all in our library.

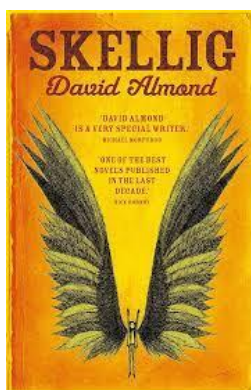

Reading interest: 4-8

'Snail and the Whale' by Julia Donaldson is a story about the unlikely friendship between a whale and a snail. When a tiny snail meets a humpback whale, the two travel together to far-off lands. It's a dream come true for the snail, who has never left home before. But when the whale swims too close to shore, will the snail be able to save her new friend?

Reading interest: 8-12

'Diary of a Wimpy Kid' by Jeff Kinney is a cartoon style novel about a boy called Greg and his attempts to gain popularity at a new school. His diary, complete with hilarious cartoons, records a year in his life and follows his relationships with his nerdy best friend Rowley, annoying brothers Roderick and Manny and long-suffering parents.

Reading interest: 10-adult

'Skellig', by David Almond is a beautiful novel. Michael moves to a new house, his sister is ill and he is lonely. Then he makes friends with Mina. The two children find a strange creature – ill-mannered and unwell. Between them they nurse the creature back to good health and as they do so, form the best of friendships.

- ✓ **Learn to play in a band**
Learning an instrument should be fun. Your child can choose from the electric guitar, keyboard, drums or vocals and enjoy playing in a happy, supportive environment with their friends.
- ✓ **Lead by real musicians**
Your child's music teacher should also be their role model. Which is why all Rocksteady Band Leaders are carefully chosen, extensively trained musicians who know how to inspire a life-long love of playing music.
- ✓ **In school time**
Lessons are 30 minutes long and take place in school time with all instruments provided, making it hassle-free for parents.
- ✓ **From first notes to favourite songs**
The Rocksteady Programme is for all children aged 4-11 and is proven to progress musicianship, confidence and teamwork skills with no prior experience necessary.
- ✓ **With regular live performances**
Playing on stage is a huge confidence booster. With termly concerts at school assemblies, your child will be able to show off their progress to friends, teachers and parents with the rest of their band.
- ✓ **And happily affordable**
Rocksteady is one of the most hassle-free ways to learn an instrument on a rolling subscription that you can cancel at any time. It's risk free too – cancel in the first month and you'll get a full refund.
