Dear Parent/Carer,

Next week we have a four-day week as the 29th March is Good Friday. Please ensure that your children are in school Monday to Thursday, and on time (8:30am)

Next week, we say goodbye to Miss Chowdhury, who has been teaching at Hunters Hall since July 2011. During this time, Miss Chowdhury has taught a number of children some of whom will now be in their 20s. Miss Chowdhury leaves us to focus on her family. We are in the process of recruiting a teaching partner for Mrs Rost for class 2CR and will provide details to 2CR parents next week.

We have had a number of external visits this term, to check that the school is a safe place for children and staff. One such visit is from the food hygiene team. I am extremely pleased to note that we have been awarded the highest rating of a 5.

Dear Hunters Hall Primary School,

FOOD HYGIENE RATING

We inspected your business premises on 26/02/2024 to check compliance with the requirements of food hygiene law and I am writing now to tell you what your food hygiene rating is.

Your food hygiene rating

This authority operates the national Food Hygiene Rating Scheme. This is designed to help consumers choose where to eat out or shop for food by giving them information about the hygiene standards in food outlets at the time they are inspected to check compliance with legal requirements. Details of how ratings are calculated are enclosed.

On the basis of the standards found at the inspection, I am pleased to be able to tell you that you have achieved the top rating of '5'. Details of how this was calculated are as follows:

Compliance with food hygiene and safety procedures	
Compliance with structural requirements	
Confidence in management/control procedures	
Total score	0
Highest (this means poorest) individual score

Uniform Reminder & PE Days 2023-2024

During the course of this academic year, we are phasing out some of our school uniform in an effort to make it more affordable for our parent body.

Our school uniform provider now sells school badges for £1.20 so that you are able to purchase plain white polo shirts/ plain red jumpers/cardigans and iron on the badge. (Our current provider will continue to sell their stock of red and grey uniform items and staff has been informed that it is a gradual phase out)

We have reduced the number of days that children require their school uniform by allowing them to wear their PE kit on two days of the week. (You will be notified if there is a special day such as school photographs so that you can ensure that children are dressed appropriately.)

Swimming is part of the national curriculum. Children in Year 4 and 6 are offered swimming lessons. From time to time, other selected pupils are given the opportunity.

Children must have a suitable swimming costume, a towel and a swimming hat.

This year, we will be operating a mobile swimming pool on the school site during June and July. |

Why do you work at Hunters Hall?

I started my placement at Hunters Hall School for my Teaching Assistant qualification and was lucky enough to be offered a position here.

What's your role?

My current role is as a One to One Teaching Assistant and Thrive Practitioner.

Favourite things...

Some of my favourite things are socialising with my family and friends, cooking/baking and arts and crafts.

Own School Memories

I attended Richard Alibon Primary School which was known in my days as an infant and junior school. I took part in the school choir and we made a record (LP) to raise money for charity. I think I still have a copy of the record packed away. Just before Christmas each year group would have a Christmas party and the girls were paired up with the boys. Every year I was paired with the same boy whose name was John because we were both the tallest in the year group.

Hopes & Dreams

I am still hoping to become a grandmother one day and that Mumzy (Step Mum) will win the lottery!

How long have you been at Hunters Hall?

I have been at Hunters Hall nearly 14 years.

Achievements to date (in order)

Passing my driving test.
City & Guilds qualification in cake decorating.
Having my three sons.
Becoming a Teaching Assistant.
Making six wedding cakes and numerous celebration cakes.

Year 3 Topic

Our Art topic is 3D sculptures using stories and poems as inspiration. Last week we planned the sculpture we wanted to make based on Roald Dahl characters.

Uyu and Kristian then made their own sculptures as extra homework using their own model clay.

We think they are amazing.

Music Festivals

On Thursday 14th March and Monday 18th March we had 143 children attend the Borough Music Festivals. Year 5/6 and Year 3 Choirs visited William Ford and Year 4 visited Gascoigne. We joined with other schools in the borough to sing 2 joint songs and then 2 songs on our own. The choirs did Hunters Hall proud and sang beautifully and the children keep telling me how much they enjoyed the event.

A big thank you to all the staff involved in accompanying the children and for your kind donations during the Christmas Concerts which raised enough to pay for the coach for Y4.

Year 1 Phonics Screening Workshop

Our Year 1 Parents/Carers Phonics Screening Workshop was really well attended. We had an opportunity to look at the Phonics Screening and how parents can help at home. It was lovely to see everyone enjoy the phonics games. If you missed the workshop, the power point we used is on the website at the following link:

<https://www.huntershallprimary.org.uk/wp-content/uploads/2024/03/Year-1-Phonics-Screening-Workshop-2024.pdf>

At Hunters Hall we pride ourselves on our community spirit and how we all look after one another. We have our own bank of food, toiletries and house hold products for when families fall into emergency situations.

We would like to thank you for the donations already received. If you are able to donate items to support our families in times of need, please see from the list below of helpful items:

- Non-perishable food items: rice, pasta, instant mash potato, lentils, barley, seasoning, flour.
- Tins, jars and cartons of soup, beans, tomatoes, vegetables, curry, rice pudding, custard, spaghetti, hot dog sausages, meat balls, evaporated or long life milk.
- Breakfast cereals.
- Beverages, tea, coffee, juices, instant hot chocolate.
- All toiletries, washing and cleaning products.
- All baby/infant items, nappies, wipes, creams.

We thank you in advance for your generosity, every little helps.

Reading for Pleasure Matters at Hunters Hall

Good friends are important. We need to have friends we can laugh and spend time with, friends we know will be there for us, always. Our new recommendations are about love and friendship. Here's our next set of recommendations. Remember, you can find them all in our library.

Reading interest: 4-8

'The Invisible String' by Patricia Karst is a fantastic book which explores the unbreakable bonds we have with our loved ones. It's a really useful book to share if your child feels worried or anxious when they separate from you. An Invisible String made of love. Even though you can't see it, you can feel it in your heart, and know that you are always connected to the ones you love.

Reading interest: 8-12

Living with a ghost can have its difficulties, even if he is your friend. 'My friend Walter' by Michael Morpurgo explores how this can be achieved. Remember Sir Walter Raleigh, who laid his cloak in a puddle so Queen Elizabeth I could walk across? Well, Bess meets his ghost and finds out she's his ancestor! How will Bess explain Sir Walter to her family?

Reading interest: 10-adult

'Goldfish', by Lisa Thomson is an award winning novel. Matthew is crippled with OCD, can't bear the thought of germs so spends most of his time in his bedroom away from the world. Then, his neighbour's small child goes missing and Matthew is the last to see him. Turned detective, Matthew makes friends and finds he can leave his room.

- ✓ **Learn to play in a band**
Learning an instrument should be fun. Your child can choose from the electric guitar, keyboard, drums or vocals and enjoy playing in a happy, supportive environment with their friends.
- ✓ **Lead by real musicians**
Your child's music teacher should also be their role model. Which is why all Rocksteady Band Leaders are carefully chosen, extensively trained musicians who know how to inspire a life-long love of playing music.
- ✓ **In school time**
Lessons are 30 minutes long and take place in school time with all instruments provided, making it hassle-free for parents.
- ✓ **From first notes to favourite songs**
The Rocksteady Programme is for all children aged 4-11 and is proven to progress musicianship, confidence and teamwork skills with no prior experience necessary.
- ✓ **With regular live performances**
Playing on stage is a huge confidence booster. With termly concerts at school assemblies, your child will be able to show off their progress to friends, teachers and parents with the rest of their band.
- ✓ **And happily affordable**
Rocksteady is one of the most hassle-free ways to learn an instrument on a rolling subscription that you can cancel at any time. It's risk free too – cancel in the first month and you'll get a full refund.
