Dear Parent/Carer,

The UK government will ban social media for under 16s. Alongside this, certain harmful features on other online services like livestreaming and strangers contacting children will be restricted for under 18s.

Children and young people under 16 will still be able to access the online world safely for learning, news, games and staying in touch with known friends and family on messaging services.

From Spring 2027, under-16s will no longer be able to use certain social media.
The following sites have been identified so far:
Instagram,
YouTube,
TikTok,
Snapchat,
Facebook
X

In preparation for this happening – from September 2026 – children will not be allowed to bring a smart phone onto the school premises.

Currently children in Years 5 & 6 are able to store a device in the school office. If a phone is part of the child's individual walk to/from school risk assessment; the only phone allowed will be a "brick" phone i.e., a phone that only offers text and calling.

Please see my full letter regarding no smartphones commencing September 2026 in this edition of Snippets. (I have also placed a copy of the letter on ParentHub)

These measures are to ultimately keep children safe, support their learning, improve their wellbeing, promote better behaviour and help develop positive relationships.

Just as I did for Mothers' Day back in March, I wish everyone who fulfils the role of a father – a happy Fathers' Day this Sunday.

Uniform Reminder & PE Days 2025-2026

During the course of this academic year, we are phasing out some of our school uniform in an effort to make it more affordable for our parent body.

Our school uniform provider now sells school badges for £1.20 so that you are able to purchase plain white polo shirts/ plain red jumpers/cardigans and iron on the badge. (Our current provider will continue to sell their stock of red and grey uniform items and staff has been informed that it is a gradual phase out)

We have reduced the number of days that children require their school uniform by allowing them to wear their PE kit on two days of the week. (You will be notified if there is a special day such as school photographs so that you can ensure that children are dressed appropriately.)

Swimming is part of the national curriculum. Children in Year 4 & non-swimmers from Year 6 are offered swimming lessons. From time to time, other selected pupils are given this opportunity.

Children must wear suitable and appropriate swimwear and a swimming hat. They must also have a towel, dressing gown and waterproof footwear.

This year, we will operate a mobile swimming pool on the school site.

No SmartPhones from September 2026

As part of our continued commitment to safeguarding, wellbeing and creating the best possible learning environment for all pupils, I am writing to inform you that from **1st September 2026,** pupils at Hunters Hall Primary School will be joining other Barking and Dagenham schools by not being permitted to bring smartphones into school.

As of April 2026, the UK Government introduced a legal ban on smartphones in schools across England, moving from advisory guidance to a mandatory statutory requirement. An amendment to the Children's Wellbeing and Schools Bill will formally require schools to maintain mobile-phone-free environments. The House of Lords supported this amendment to the Children's Wellbeing and Schools Bill in May 2026. Although around 90% of schools already had mobile phone restrictions in place, the new law aims to ensure a consistent approach and uniform enforcement nationwide. Links to government documents can be found at the end of the letter.

Previously, the guidance was non-statutory, meaning schools were advised, but not legally required to follow it. Under the new legislation, compliance will become mandatory for all schools.
Secondary schools across Barking and Dagenham informed all Year 7 pupils that smartphones were not permitted in schools from September 2025. In support of this borough-wide decision and new statutory requirement, Hunters Hall will also be introducing a no-smartphone stance. To allow time for adjustments, **this procedure will come into effect at Hunters Hall from 1st September 2026**.

This decision reflects both growing national concern regarding the impact of smartphones on children's wellbeing and the expectations set out within the new Children's Wellbeing and Schools Act 2026, which strengthens schools' responsibilities around safeguarding, online safety and promoting pupils' wellbeing. The legislation places a greater emphasis on protecting children from harmful online content, reducing risks linked to social media use, and supporting schools to create safe and focused learning environments.

A smartphone is defined as any mobile phone or device that has internet connectivity, social media access, app functionality, or the ability to take and share images online.

From September 2026:

- Smartphones must not be brought onto the school site.
- If parents feel their child requires a phone for safety or travel purposes, only a basic mobile phone without internet access (sometimes referred to as a 'brick phone') will be permitted.
- Smartwatches and other devices with messaging, internet or camera functionality will also not be permitted.

If your child in Year 5/ 6 currently brings a smartphone to school, we ask that families begin preparing for this change over the coming months.

Why are we introducing this change?
Although technology can provide benefits, there is increasing evidence that excessive smartphone use can negatively affect children's wellbeing, concentration and social development. National research and safeguarding guidance continue to highlight concerns including:

- reduced attention and focus in lessons;
- sleep disruption and anxiety;
- exposure to harmful or inappropriate online content;
- online bullying and peer conflict;
- increased social pressures linked to social media;
- risks associated with contact from strangers online;
- reduced face-to-face interaction and social communication skills.

As a school, we want children to enjoy positive friendships, engage fully in learning and develop healthy habits around technology use. We also want to support families in delaying access to smartphones and social media until children are developmentally ready.

The new measures within the Children's Wellbeing and Schools Act 2026 reinforce the importance of schools working closely with families to promote children's safety and wellbeing both in and beyond school.

We recognise that some families may wish their child to have a device for communication when travelling independently. In these cases, we recommend considering a basic mobile phone without internet access. These will be handed in at the start of the day and collected at the end of day.

We appreciate your continued support as we introduce this important change. By working together, we can help ensure that all children are safe, focused and able to thrive both socially and academically.

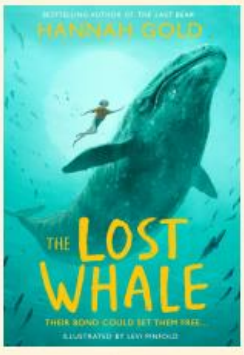
Author of the Week

HANNAH GOLD



Hannah used to work in the film and theatre industry but now is pursuing her dream and writing best-selling children's novels! Hannah uses her storytelling to teach children about the troubles our planet (and it's animals particularly) is facing and how, no matter who you are, you can help to protect it. 'The Last Bear' and 'The Lost Whale' are both beautifully illustrated by award-winning illustrator Levi Pinfold.

The Last Bear won The Blue Peter Book Award 2022 and the Waterstones Children's book prize.

If you like **Piers Torday**, or **Nizrana Farook** you'll love these books!

Hannah Gold says:

I love writing big-hearted animal adventures that share my love of the planet and I hope they inspire YOU to know you're never too small to make a difference about the things you truly care about. Love & a big roar!

Reading for Pleasure Matters at Hunters Hall

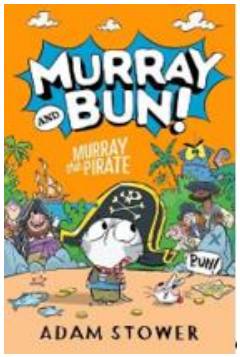
Welcome back to our summer term! To finish off this academic year, we thought it would be nice to share some of the shortlisted books from this year's 2026 Children's Book Awards! Over the next few weeks, we will showcase books for a variety of ages, ranging from Early Years to Year 6!

Take a look below: Can you spot any of our school values being used in action?

Early Readers – Creepy Pair of Underwear!

A great balance between frightening and hilarious!

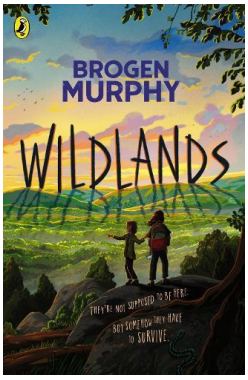
Jasper Rabbit is desperate to prove he is not a little rabbit anymore. When he spots the Creepy underwear in the shop with his mum, he begs for a pair to show how brave he is. When the pants glow eerily in the dark as he puts them on, he begins to wonder if it was a good idea. The comic style illustrations and effective use of colour move the quirky story along as Jasper explores ways of getting rid of the pants. Will he succeed?!



Ages 7-9 – Murray and Bun: Murray the Pirate!

Laugh-a-minute comic-style illustrations light up this comic caper.

Murray, the sleepy cat, and Bun, a sticky bouncing bunny, live with Fumblethumb, an incompetent wizard, who turns their cat flap into a magic portal. The delightful duo love adventures, and as they are hurled through the cat flap by a fit of Bun's sneezing, they find themselves in a land of PIRATES, where they're kidnapped by the dreaded Captain Patch. Will they manage to dig up the buried treasure or risk walking the Plank?



Ages 9+ – Wildlands

A gripping novel about surviving against the odds!

In the near future, no humans are allowed in the Wildlands – a vast area in Britain where wolves, lynx and bison roam free. The only exception is a high-speed train line between London and Glasgow that crosses right through the heart of the project. Thirteen-year-old Astrid and her little sister, Indie, are onboard when their train slows to a brief, unexpected stop … and they find themselves accidentally left behind. Stranded in this place of astonishing natural wonders and terrible dangers, they have only a rucksack, a phone without signal – and each other. Do they have the ingenuity and determination to survive?

Learn to play in a band

Learning an instrument should be fun. Your child can choose from the electric guitar, keyboard, drums or vocals and enjoy playing in a happy, supportive environment with their friends.

Lead by real musicians

Your child's music teacher should also be their role model. Which is why all Rocksteady Band Leaders are carefully chosen, extensively trained musicians who know how to inspire a life-long love of playing music.

In school time

Lessons are 30 minutes long and take place in school time with all instruments provided, making it hassle-free for parents.

From first notes to favourite songs

The Rocksteady Programme is for all children aged 4-11 and is proven to progress musicianship, confidence and teamwork skills with no prior experience necessary.

With regular live performances

Playing on stage is a huge confidence booster. With termly concerts at school assemblies, your child will be able to show off their progress to friends, teachers and parents with the rest of their band.

And happily affordable

Rocksteady is one of the most hassle-free ways to learn an instrument on a rolling subscription that you can cancel at any time. It's risk free too – cancel in the first month and you'll get a full refund.
